

ODDO

Fashion reflection on corporate uniforms

About Us

With more than 30 years of experience of the founders of the textile industry; especially in the fields of fabric and manufacturing, Oddo Textile offers first class corporate clothing to a wide range of customers in different sectors

Over the years, our company has become one of the key and most reputable company in the corporate uniform industry:

Our company provides a wide range of complete one-stop-shop corporate uniform solutions with in-house design, manufacturing and fitting-alterations.

With the opening Dubai Office-warehouse in 2022 we have started to provide delivery, fitting-alteration service directly to our GCC customers.

Oddo Textile provides a wide range of best quality Turkish fabrics, trims and accessories.

With wide range of fabric, style and color options we can create your brand ideantity with our in-house design team.

We do understand your unique reguirements of your business and provide fashion based inniovative solutions dedicated for your brand.
